Northern Amateur Radio Societies Association

Stewards at NARSA 2012

Dear Club or Society,

May I once again approach your members for Stewarding support at the next NARSA rally to be held on **Sunday 15th April 2012.** As before each club can volunteer as individuals or as a collective body in charge of a door or other duty.

Points are awarded in respect of work carried out. These points are then awarded a value at the end of the season and a dividend paid as our thank you for helping make the Rally a success.

Please ask you members to decide which option to take and indicate by ticking the box.

Please return your form well before the exhibition to the address below and keep a copy for your own use. Names are not required at this stage if you decide to take control of a single door as each person must check in at the Stewards Office to receive a Stewards Sticker. Brian G6XRE
